Recommendation Letter

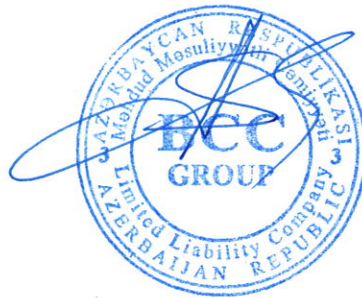

We hereby confirm the cooperation with “Global Logistics Services” LLC in the sphere of transportation of imported goods and customs clearance.

“BCC Group” as a contracting company providing building and construction services. Nowadays, we are one of the market leaders for industrial construction which incorporates a number of rapidly developing companies operating in many countries in the Caspian region and wider.

We express our gratitude to Global Logistics Services for longstanding and effective cooperation in the sphere of transportation of both imported and exported goods.

It is worth to emphasize that GLS Team exhibits exquisite proficiency in solving operational issues, they are always attentive to business details and deeply interested in projects.

We do reasonably recommend “GLS” LCC as a reliable partner in the field of logistics and customs clearance.
