## Recommendation Letter

MQS LLC has cooperated with Global Logistics Services LLC (GLS) for several years in the area of transport, logistics and custom services related to delivery of both imported and exported goods.

In the course of work the GLS team demonstrates its professionalism, high quality and efficiency of services being provided. We are satisfied with work of GLS LLC and are confident that the company has sufficient potential for further cooperation. The experience of work with GLS LLC allows us to consider it a competent provider of logistics and customs services. We trust their experience in this area.

GLS Team promptly reacts on all matters and inquiries, inform of possible complexities and options for their resolution. Their support during the import of the necessary equipment in BP's Azeri Cirag Gunesli, Shahdeniz, WREP, SCP and other projects is commendable.

We can confidently recommend GLS LLC as a reliable supplier and expert in their business domain.

This letter has been issued upon GLS Group request for whatever purpose it may serve them.
